Godey's Lady's Book for November. A PARTICULAR BUMBER. Joseph C. Neal, Esq.,

AUTHOR OF "CHARCOAL SERTCHES," &c. &c., Will contribute one of his best articles for the November No. of GODEY'S LADY'S BOOK.

It is unnecessary for us to go into detail touching the merits of this gentleman. There has perhaps no work ever been published in this country from which try, from which extracts have been so frequently made, as the far-famed Charcoal Sketches. The proprietor of The Lady's Book was the

original publisher of these Sketches, and can vouch for their popularity. Besides Mr. Neal, arrangements have been made with all the contributors of any repute in this country, whose contributions will regularly appear in the Book. The embellishments of the number will be nu-

merous, at least SEVEN ENGRAVINGS of different kinds. One particularly—A NOVELTY, a Steel Engraving with an arabesque border, never before attempted in this country, and which gave so much eclat to Lockhart's Spanish Ballads.

THE PLATE OF PASHIONS Anticipates all others, as we have received from Paris and London the plates containing the lates fashions for winter cloaks, beautifully colored. This alone for the ladies makes the number in-

valuable. Are the public aware that we never omit our fashion plates? This, should be looked to when subscribing for a fashionable magazine. They are in every number, and colored at a great ex-
